DATE RAISED	MINUTE REF	SUMMARY OF ISSUE	INCIDENT RAISED BY	AGENCY ADVISED	AGENCY REF	PREVIOUS UPDATES	LATEST UPDATE	STATUS - OPEN/CLOSED
19th May	088/26	Installation of the New Park kissing gates			n/a	16/06 - Work is dependent on the hay being harvested in the adjacent field and Cllr Tucker's workload. Current timeline is work should be undertaken prior to July's meeting. 26/06- Cllr Farley advised that hay had now been bailed, with a request that work could now commence.	21/07 – Cllr Tucker advised that work will be completed by 18 th Aug 26 12/08 - update from Cllr Tucker work on track to be completed by 14th Aug	Closed
16th June	114/26	some rotten posts and rails on the bridge at the bottom of Peachy's Hill W3W monopoly.trip.convenants	Cllr Saunter		W262180327	25/06 -We have inspected the issue and can confirm that it has already been reported to us and appropriate action is being taken. 1/7 – Highway Steward is now aware of then issue and will inspect the site to determine what action is required. 31/7 - email sent to Cllr Batters & countrysideservice@cormacltd.co.uk to see if they can advise who to contact to request a copy of any reports relating to this issue & Cllr Batters has advised that he will contact the relevant department within Cornwall Council.	04/08 - as requested email sent to Cllr Batters, highlightling the issue for him to request a copy of the report from Cornwall Council 16/08 - response from Cornwall Council via Cllr Batters - as the concerns relate to a highways structure, the details have been passed to our Structure team for their review as appropriate. the structures budget is significantly reduced and therefore unless there is a significant safety hazard the site will be held on a list for review based on available funding and resource. it might mean that works are not considered until next financial year.	Closed

16th June	114/26	The vegetation and trees growing next to and through an ancient stone highway bridge over the River Fowey below Leball Hill. The Council noted the grass growing in the carriageway, and the mature alder trees visibly growing up from the outside of both parapets- please see attached photo. The Council would appreciate your view as to whether this may cause significant damage to the masonry of these attractive features of the Cornish countryside. W3W flexed.cabbies.sobbed	Cllr Bonker		W262180322 W262180961	25/06 – logged on Cornwall council website- ref W262180322 26/06 - Reported Defect/Enquiry has been passed to the appropriate officer who will inspect/investigate as appropriate. 29/06 – Cllr Bonker forwarded an email to Cllr Batters cc'd Cllr Claridge 1/7 - advised new ref W262180961 Highway Safety Inspector will inspect the location and determine what action is required in line with Cornwall Council's Highways Maintenance Manual. 21/7 - Cllr Batters advised that all bridges are inspected on a 2 yearly cycle, defects are recorded and works are prioritised on the severity of the defect, following recent inspections Newbridge at Cardinham is not at the top of the priorities list. 31/7 - email sent to Cllr Batters & countrysideservice@cormacltd.co.uk to see if they can advise who to contact to request a copy of any reports relating to this issue and Cllr Batters that requests to	04/08 - as requested email sent to Cllr Batters, highlighting the issue for him to request a copy of the report from Cornwall Council. 16/08 - Response from Cornwall Council via Cllr Batters - this is another site that will be considered by our Structures maintenance team, based on network safety and available budget/resources for this year. I don't think there is work programmed at the moment for this site.	Closed
16th June	114/26	relates to vegetation and trees going next to and through the bridge at Fletchersbridge W3W honey.december.commoners	Cllr Tucker		W262180323 W262180956	25/06 – logged on Cornwall council website- ref W262180323 25/06 – We have inspected the reported issue and we have determined that it does not require attention at the present time. However, the area is subject to routine inspections, so should there be any significant deterioration then appropriate action will be taken at that time.	1/7 – advised new ref W262180956 – Highway Safety Inspector will inspect the location and determine what action is required in line with Cornwall Council's Highways Maintenance Manual & then advised no further action is required.
