041 /22 Minutes of the Previous Meeting held on 15th February 2022

The minutes of the meeting held on 15th February had been circulated. There were two amendments Minute 27/22 – take out ‘Cllr L Sutton confirmed there will be a Brazier style

Beacon’ and Minute 032/22 add in ‘Cllr G Tucker left the meeting and Cllr P Claridge took the chair’ and Cllr G Tucker returned to the meeting and took the chair’. The amended minutes for the meeting held on 15th February were proposed by Cllr L Sutton, seconded by Cllr R Dyer and agreed as a true record of the meeting and were signed by the Chair.

042/22 Matters Arising

1. Woodside: there are several queries as follows:

- the final cost was £10,400 – the Parish Council has asked Cllr Cruse to find out why the price increased from £9000 to £10,400.
- On the proposal, the area in front of the Woodside entrance was supposed to be red tarmac. This has not been done – is this going to be put in place at a later date?
- The road was supposed to be narrowed to slow the cars down as they pass the school entrance but it isn’t narrow enough to do that – is this going to be remedied?

2. Cllr Cruse gave a brief update on enforcements.

3. The Parish Council had received a reply regarding the poor signage on the area used occasionally for private shooting. The Owner of the land has said it would be too expensive for him to put up additional signage but suggested that the Parish Council may like to fund the signage.
